We welcome you to the Word of God Christian Church. We are a non-denominational church which believes that the Bible is the Word of God and that Jesus Christ is God and the uniquely born one, the Son of God the Father. We believe that He has died on the cross for our sins and is the only way to salvation and life. We believe that Jesus has sent us the Holy Spirit to do the works of Christ on earth and to guide us to a deeper relationship with Jesus. We pray that you have been blessed today by the worship, message and our church body. We pray that God will be with you throughout the week and that we would meet again.
